Re: HB 2485 – Nekritz

To the Clerk of the Illinois House:

For a point of clarification, please have the record reflect that during the April 2, 2009 House of Representatives floor debate on HB 2485 (Child-Safe Chemicals Act), Representative Elaine Nekritz stated that Dr. Steven Hentges of the American Chemistry Council wrote a US Food and Drug Administration

(FDA) report on bisphenol A. For the record, the report was written by FDA staff and contractors working under the direction of FDA staff. Dr. Hentges had no role in writing the report.

Respectfully,
s/Dave Winters
State Rep. Dave Winters

"Consultant" means any person or entity retained or employed by the board of a retirement system, pension fund, or investment board to make recommendations in developing an investment strategy, assist with finding appropriate investment advisers, or monitor the board's investments. (40 ILCS 5/1-109.1) (from Ch. 108 1/2, par. 1-109.1)

Sec. 1-109.1. Allocation and Delegation of Fiduciary Duties.

(1) Subject to the provisions of Section 22A-113 of this Code and subsections (2) and (3) of this Section, the board of trustees of a retirement system or pension fund established under this Code may:

- (a) Appoint one or more investment managers as fiduciaries to manage (including the power to acquire and dispose of) any assets of the retirement system or pension fund; and
- (b) Allocate duties among themselves and designate others as fiduciaries to carry out specific fiduciary activities other than the management of the assets of the retirement system or pension fund.

(2) The board of trustees of a pension fund established under Article 5, 6, 8, 9, 10, 11, 12 or 17 of this Code may not transfer its investment authority, nor transfer the assets of the fund to any other person or entity for the purpose of consolidating or merging its assets and management with any other pension fund or public investment authority, unless the board resolution authorizing such transfer is submitted for approval to the contributors and pensioners of the fund at elections held not less than 30 days after the adoption of such resolution by the board, and such resolution is approved by a majority of the votes cast on the question in both the contributors election and the pensioners election. The election procedures and qualifications governing the election of trustees shall govern the submission of resolutions for approval under this paragraph, insofar as they may be made applicable.

(3) Pursuant to subsections (h) and (i) of Section 6 of Article VII of the Illinois Constitution, the investment authority of boards of trustees of retirement systems and pension funds established under this Code is declared to be a subject of exclusive State jurisdiction, and the concurrent exercise by a home rule unit of any power affecting such investment authority is hereby specifically denied and preempted.

(4) For the purposes of this Code, "emerging investment manager" means a qualified investment adviser that manages an investment portfolio of at least \$10,000,000 but less than ~~\$10,000,000,000~~ ~~\$2,000,000,000~~ and is a "minority owned business" ~~or "female owned business"~~ or "business owned by a person with a disability" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

It is hereby declared to be the public policy of the State of Illinois to encourage the trustees of public employee retirement systems, pension funds, and investment boards to use emerging investment managers in managing their system's assets, encompassing all asset classes, and increase the racial, ethnic, and gender diversity of its fiduciaries, to the greatest extent feasible within the bounds of financial and fiduciary prudence, and to take affirmative steps to remove any barriers to the full participation ~~of emerging investment managers~~ in investment opportunities afforded by those retirement systems, pension funds, and investment boards.

On or before January 1, 2010, a retirement system, pension fund, or investment board subject to this

Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall adopt a policy that sets forth goals for utilization of emerging investment managers. This policy shall include quantifiable goals for the management of assets in specific asset classes by emerging investment managers. The retirement system, pension fund, or investment board shall establish 3 separate goals for: (i) emerging investment managers that are minority owned businesses; (ii) emerging investment managers that are female owned businesses; and (iii) emerging investment managers that are businesses owned by a person with a disability. The goals established shall be based on the percentage of total dollar amount of investment service contracts let to minority owned businesses, female owned businesses, and businesses owned by a person with a disability, as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The retirement system, pension fund, or investment board shall annually review the goals established under this subsection.

If in any case an emerging investment manager meets the criteria established by a board for a specific search and meets the criteria established by a consultant for that search, then that emerging investment manager shall receive an invitation by the board of trustees, or an investment committee of the board of trustees, to present his or her firm for final consideration of a contract. In the case where multiple emerging investment managers meet the criteria of this Section, the staff may choose the most qualified firm or firms to present to the board.

Each retirement system subject to this Code shall prepare a report to be submitted to the Governor and the General Assembly by September 1 of each year. The report shall identify the emerging investment managers used by the system, the percentage of the system's assets under the investment control of emerging investment managers, and the actions it has undertaken to increase the use of emerging investment managers, including encouraging other investment managers to use emerging investment managers as subcontractors when the opportunity arises.

The use of an emerging investment manager does not constitute a transfer of investment authority for the purposes of subsection (2) of this Section.

(5) Each retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall establish a policy that sets forth goals for increasing the racial, ethnic, and gender diversity of its fiduciaries, including its consultants and senior staff. Each system, fund, and investment board shall annually review the goals established under this subsection.

(6) On or before January 1, 2010, a retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall adopt a policy that sets forth goals for utilization of businesses owned by minorities, females, and persons with disabilities for all contracts and services. The goals established shall be based on the percentage of total dollar amount of all contracts let to minority owned businesses, female owned businesses, and businesses owned by a person with a disability, as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The retirement system, pension fund, or investment board shall annually review the goals established under this subsection.

(7) On or before January 1, 2010, a retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall adopt a policy that sets forth goals for increasing the utilization of minority broker-dealers. For the purposes of this Code, "minority broker-dealer" means a qualified broker-dealer who meets the definition of "minority owned business", "female owned business", or "business owned by a person with a disability", as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The retirement system, pension fund, or investment board shall annually review the goals established under this Section.

(8) Each retirement system, pension fund, and investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall submit a report to the Governor and the General Assembly by January 1 of each year that includes the following: (i) the policy adopted under subsection (4) of this Section, including the names and addresses of the emerging investment managers used, percentage of the assets under the investment control of emerging investment managers for the 3 separate goals, and the actions it has undertaken to increase the use of emerging investment managers, including encouraging other investment managers to use emerging investment managers as subcontractors when the opportunity arises; (ii) the policy adopted under subsection (5) of this Section; (iii) the policy adopted under subsection (6) of this Section; and (iv) the policy adopted under subsection (7) of this Section, including specific actions undertaken to increase the use of minority broker-dealers.

Sec. 1-150. Approval of travel or educational mission. The expenses for travel or educational missions of a board member of a retirement system, pension fund, or investment board created under this Code, except those whose investments are restricted by Section 1-113.2 of this Code, must be approved by a majority of the board prior to the travel or educational mission.

(40 ILCS 5/14-134) (from Ch. 108 1/2, par. 14-134)

Sec. 14-134. Board created. The retirement system created by this Article shall be a trust, separate and distinct from all other entities. The responsibility for the operation of the system and for making effective this Article is vested in a board of trustees.

The board shall consist of 7 trustees, as follows:

(a) the Director of the Governor's Office of Management and Budget; (b) the Comptroller; (c) one trustee, not a State employee, who shall be Chairman, to be appointed by the Governor for a 5 year term; (d) two members of the system, one of whom shall be an annuitant age 60 or over, having at least 8 years of creditable service, to be appointed by the Governor for terms of 5 years; (e) one member of the system having at least 8 years of creditable service, to be elected from the contributing membership of the system by the contributing members as provided in Section 14-134.1; (f) one annuitant of the system who has been an annuitant for at least one full year, to be elected from and by the annuitants of the system, as provided in Section 14-134.1. The Director of the Governor's Office of Management and Budget and the Comptroller shall be ex-officio members and shall serve as trustees during their respective terms of office, except that each of them may designate another officer or employee from the same agency to serve in his or her place. However, no ex-officio member may designate a different proxy within one year after designating a proxy unless the person last so designated has become ineligible to serve in that capacity. Except for the elected trustees, any vacancy in the office of trustee shall be filled in the same manner as the office was filled previously.

A trustee shall serve until a successor qualifies, except that a trustee who is a member of the system shall be disqualified as a trustee immediately upon terminating service with the State.

Notwithstanding any provision of this Section to the contrary, the term of office of each trustee of the Board appointed by the Governor who is sitting on the Board on the effective date of this amendatory Act of the 96th General Assembly is terminated on that effective date.

Beginning on the 90th day after the effective date of this amendatory Act of the 96th General Assembly, the board shall consist of 13 trustees as follows:

(1) the Comptroller, who shall be the Chairperson;

(2) six persons appointed by the Governor with the advice and consent of the Senate who may not be members of the system or hold an elective State office and who shall serve for a term of 5 years, except that the terms of the initial appointees under this amendatory Act of the 96th General Assembly shall be as

follows: 3 for a term of 3 years and 3 for a term of 5 years:

(3) four active participants of the system having at least 8 years of creditable service, to be elected from the contributing members of the system by the contribution members as provided in Section 14-134.1; and

(4) two annuitants of the system who have been annuitants for at least one full year, to be elected from and by the annuitants of the system, as provided in Section 14-134.1.

For the purposes of this Section, the Governor may make a nomination and the Senate may confirm the nominee in advance of the commencement of the nominee's term of office. The Governor shall make nominations for appointment to the Board under this Section within 60 days after the effective date of this amendatory Act of the 96th General Assembly. A trustee sitting on the board on the effective date of this amendatory Act of the 96th General Assembly may not hold over in office for more than 90 days after the effective date of this amendatory Act of the 96th General Assembly. Nothing in this Section shall prevent the Governor from making a temporary appointment or nominating a trustee holding office on the day before the effective date of this amendatory Act of the 96th General Assembly.

Each trustee is entitled to one vote on the board, and 4 trustees shall constitute a quorum for the transaction of business. The affirmative votes of a majority of the trustees present, but at least 3 trustees, shall be necessary for action by the board at any meeting. On the 90th day after the effective date of this amendatory Act of the 96th General Assembly, 7 trustees shall constitute a quorum for the transaction of business and the affirmative vote of a majority of the trustees present, but at least 7 trustees, shall be necessary for action by the board at any meeting. The board's action of July 22, 1986, by which it amended the bylaws of the system to increase the number of affirmative votes required for board action from 3 to 4 (in response to Public Act 84-1028, which increased the number of trustees from 5 to 7), and the board's rejection, between that date and the effective date of this amendatory Act of 1993, of proposed actions not receiving at least 4 affirmative votes, are hereby validated.

The trustees shall serve without compensation, but shall be reimbursed from the funds of the system for all necessary expenses incurred through service on the board.

Each trustee shall take an oath of office that he or she will diligently and honestly administer the affairs of the system, and will not knowingly violate or willfully permit the violation of any of the provisions of law applicable to the system. The oath shall be subscribed to by the trustee making it, certified by the officer before whom it is taken, and filed with the Secretary of State. A trustee shall qualify for membership on the board when the oath has been approved by the board.

Any individual 65 years or older or any individual who will become 65 years old during ~~the~~ the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any disabled person whose annual household income is less than the income eligibility limitation, as defined in subsection (a-5) and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(a-5) Income eligibility limitation. For purposes of this Section, "income eligibility limitation" means an amount:

- (i) for grant years before the 1998 grant year, less than \$14,000;
- (ii) for the 1998 and 1999 grant year, less than \$16,000;
- (iii) for grant years 2000 through 2007:
 - (A) less than \$21,218 for a household containing one person;
 - (B) less than \$28,480 for a household containing 2 persons; or

- (iv) for grant years 2008 and thereafter:

 - (B) less than \$29,480 for a household containing 2 persons; or
 - (C) less than \$36,740 for a household containing 3 or more persons.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) \$700 less 4.5% of household income for that year for those with a household income of \$14,000 or less or (ii) \$70 if household income for that year is more than \$14,000.

(c) Public aid recipients. If household income did not include such cash assistance over \$55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription

drugs. Each beneficiary who pays \$5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays \$25 for an identification card shall pay \$3 per prescription. In addition, after a beneficiary receives \$2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must: (1) be (i) 65 years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) be domiciled in this State at the time he or she files his or her claim, and (3) have a maximum household income of less than the income eligibility limitation, as defined in subsection (a-5). In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, and (3) present the identification card to the dispensing pharmacist.

The Department may adopt rules specifying participation requirements for the pharmaceutical assistance program, including copayment amounts, identification card fees, expenditure limits, and the benefit threshold after which a 20% charge is imposed on the cost of each prescription, to be in effect on and after July 1, 2004. Notwithstanding any other provision of this paragraph, however, the Department may not increase the identification card fee above the amount in effect on May 1, 2003 without the express consent of the General Assembly. To the extent practicable, those requirements shall be commensurate with the requirements provided in rules adopted by the Department of Healthcare and Family Services to implement the pharmacy assistance program under Section 5-5.12a of the Illinois Public Aid Code.

Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the reasonable costs of the generic equivalent, less the co-pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co-pay.

Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal to \$5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and \$25 per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card.

The provisions of this subsection (f), other than this paragraph, are inoperative after December 31, 2005. Beneficiaries who received benefits under the program established by this subsection (f) are not entitled, at the termination of the program, to any refund of the identification card fee paid under this subsection.

(g) Effective January 1, 2006, there is hereby established a program of pharmaceutical assistance to the aged and disabled, entitled the Illinois Seniors and Disabled Drug Coverage Program, which shall be administered by the Department of Healthcare and Family Services and the Department on Aging in accordance with this subsection, to consist of coverage of specified prescription drugs on behalf of beneficiaries of the program as set forth in this subsection. The program under this subsection replaces and supersedes the program established under subsection (f), which shall end at midnight on December 31, 2005.

To become a beneficiary under the program established under this subsection, a person must:

- (1) be (i) 65 years of age or older or (ii) disabled; and
- (2) be domiciled in this State; and
- (3) enroll with a qualified Medicare Part D Prescription Drug Plan if eligible and apply

for all available subsidies under Medicare Part D; and

(4) have a maximum household income of (i) less than \$21,218 for a household containing one person, (ii) less than \$28,480 for a household containing 2 persons, or (iii) less than \$35,740 for a household containing 3 or more persons. If any income eligibility limit set forth in items (i) through (iii) is less than 200% of the Federal Poverty Level for any year, the income eligibility limit for that year for households of that size shall be income equal to or less than 200% of the Federal Poverty Level.

All individuals enrolled as of December 31, 2005, in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section and all individuals enrolled as of December 31, 2005, in the SeniorCare Medicaid waiver program operated pursuant to Section 5-5.12a of the Illinois Public Aid Code shall be automatically enrolled in the program established by this subsection for the first year of operation without the need for further application, except that they must apply for Medicare Part D and the Low Income Subsidy under Medicare Part D. A person enrolled in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section as of December 31, 2005, shall not lose eligibility in future years due only to the fact that they have not reached the age of 65.

To the extent permitted by federal law, the Department may act as an authorized representative of a beneficiary in order to enroll the beneficiary in a Medicare Part D Prescription Drug Plan if the beneficiary has failed to choose a plan and, where possible, to enroll beneficiaries in the low-income subsidy program under Medicare Part D or assist them in enrolling in that program.

Beneficiaries under the program established under this subsection shall be divided into the following 5 eligibility groups:

(A) Eligibility Group 1 shall consist of beneficiaries who are not eligible for Medicare Part D coverage and who are:

- (i) disabled and under age 65; or
- (ii) age 65 or older, with incomes over 200% of the Federal Poverty Level; or
- (iii) age 65 or older, with incomes at or below 200% of the Federal Poverty Level and not eligible for federally funded means-tested benefits due to immigration status.

(B) Eligibility Group 2 shall consist of beneficiaries otherwise described in Eligibility Group 1 but who are eligible for Medicare Part D coverage.

(C) Eligibility Group 3 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means-tested benefits due to immigration status and are eligible for Medicare Part D coverage.

(D) Eligibility Group 4 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means-tested benefits due to immigration status and are not eligible for Medicare Part D coverage.

If the State applies and receives federal approval for a waiver under Title XIX of the Social Security Act, persons in Eligibility Group 4 shall continue to receive benefits through the approved waiver, and Eligibility Group 4 may be expanded to include disabled persons under age 65 with incomes under 200% of the Federal Poverty Level who are not eligible for Medicare and who are not barred from receiving federally funded means-tested benefits due to immigration status.

(E) On and after January 1, 2007, Eligibility Group 5 shall consist of beneficiaries who are otherwise described in Eligibility Groups 2 and 3 who have a diagnosis of HIV or AIDS.

The program established under this subsection shall cover the cost of covered prescription drugs in excess of the beneficiary cost-sharing amounts set forth in this paragraph that are not covered by Medicare. In 2006, beneficiaries shall pay a co-payment of \$2 for each prescription of a generic drug and \$5 for each prescription of a brand-name drug. In future years, beneficiaries shall pay co-payments equal to the co-payments required under Medicare Part D for "other low-income subsidy eligible individuals" pursuant to 42 CFR 423.782(b). For individuals in Eligibility Groups 1, 2, 3, and 4, once the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph. For individuals in Eligibility Group 5, once the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph unless the drug is included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health. If the drug is included in the formulary of the Illinois AIDS Drug Assistance Program, individuals in Eligibility Group 5 shall continue to pay the co-payments set forth in this paragraph after the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs.

For beneficiaries eligible for Medicare Part D coverage, the program established under this subsection shall pay 100% of the premiums charged by a qualified Medicare Part D Prescription Drug Plan for Medicare Part D basic prescription drug coverage, not including any late enrollment penalties. Qualified Medicare Part D Prescription Drug Plans may be limited by the Department of Healthcare and Family Services to those plans that sign a coordination agreement with the Department.

Notwithstanding Section 3.15, for purposes of the program established under this subsection, the term "covered prescription drug" has the following meanings:

For Eligibility Group 1, "covered prescription drug" means: (1) any cardiovascular agent or drug; (2) any insulin or other prescription drug used in the treatment of diabetes, including syringe and needles used to administer the insulin; (3) any prescription drug used in the treatment of arthritis; (4) any prescription drug used in the treatment of cancer; (5) any prescription drug used in the treatment of Alzheimer's disease; (6) any prescription drug used in the treatment of Parkinson's disease; (7) any prescription drug used in the treatment of glaucoma; (8) any prescription drug used in the treatment of lung disease and smoking-related illnesses; (9) any prescription drug used in the treatment of osteoporosis; and (10) any prescription drug used in the treatment of multiple sclerosis. The Department may add additional therapeutic classes by rule. The Department may adopt a preferred drug list within any of the classes of drugs described in items (1) through (10) of this paragraph. The specific drugs or therapeutic classes of covered prescription drugs shall be indicated by rule.

For Eligibility Group 2, "covered prescription drug" means those drugs covered for Eligibility Group 1 that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

For Eligibility Group 3, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

For Eligibility Group 4, "covered prescription drug" means those drugs covered by the Medical Assistance Program under Article V of the Illinois Public Aid Code.

For Eligibility Group 5, for individuals otherwise described in Eligibility Group 2, "covered prescription drug" means: (1) those drugs covered for Eligibility Group 2 that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled; and (2) those drugs included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled. For Eligibility Group 5, for individuals otherwise described in Eligibility Group 3, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

An individual in Eligibility Group 1, 2, 3, 4, or 5 may opt to receive a \$25 monthly payment in lieu of the direct coverage described in this subsection.

Any person otherwise eligible for pharmaceutical assistance under this subsection whose covered drugs are covered by any public program is ineligible for assistance under this subsection to the extent that the cost of those drugs is covered by the other program.

The Department of Healthcare and Family Services shall establish by rule the methods by which it will provide for the coverage called for in this subsection. Those methods may include direct reimbursement to pharmacies or the payment of a capitated amount to Medicare Part D Prescription Drug Plans.

For a pharmacy to be reimbursed under the program established under this subsection, it must comply with rules adopted by the Department of Healthcare and Family Services regarding coordination of benefits with Medicare Part D Prescription Drug Plans. A pharmacy may not charge a Medicare-enrolled beneficiary of the program established under this subsection more for a covered prescription drug than the appropriate Medicare cost-sharing less any payment from or on behalf of the Department of Healthcare and Family Services.

The Department of Healthcare and Family Services or the Department on Aging, as appropriate, may adopt rules regarding applications, counting of income, proof of Medicare status, mandatory generic policies, and pharmacy reimbursement rates and any other rules necessary for the cost-efficient operation of the program established under this subsection.

- (i) ~~for grant years before the 1998 grant year, less than \$14,000;~~
- (ii) ~~for the 1998 and 1999 grant year, less than \$16,000;~~
- (iii) ~~for grant years 2000 through 2007:~~
 - (A) ~~less than \$21,218 for a household containing one person;~~
 - (B) ~~less than \$28,480 for a household containing 2 persons; or~~
 - (C) ~~less than \$35,740 for a household containing 3 or more persons; or~~
- (iv) ~~for grant years 2008 and thereafter:~~
 - (1) ~~(A) less than \$22,218 for a household containing one person;~~
 - (2) ~~(B) less than \$29,480 for a household containing 2 persons; or~~
 - (3) ~~(C) less than \$36,740 for a household containing 3 or more persons.~~

For 2009 claim year applications submitted during calendar year 2010, a household must have annual household income of less than \$27,610 for a household containing one person; less than \$36,635 for a household containing 2 persons; or less than \$45,657 for a household containing 3 or more persons.

On January 1, 2011, and thereafter, the foregoing household income eligibility limits shall be changed to reflect the annual cost of living adjustment in Social Security and Supplemental Security Income benefits that is applicable to the year for which those benefits are being reported as income on an application.

If a person files as a surviving spouse, then only his or her income shall be counted in determining his or her household income.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) \$700 less 4.5% of household income for that year for those with a household income of \$14,000 or less or (ii) \$70 if household income for that year is more than \$14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of \$55 per month from the Department of Healthcare and Family Services or the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section and (2) the ratio of the number of months in which household income did not include such cash assistance over \$55 to the number twelve. If household income did not include such cash assistance over \$55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) ~~(Blank). There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription drugs. Each beneficiary who pays \$5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays \$25 for an identification card shall pay \$3 per prescription. In addition, after a beneficiary receives \$2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must: (1) be (i) 65~~

years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) be domiciled in this State at the time he or she files his or her claim, and (3) have a maximum household income of less than the income eligibility limitation, as defined in subsection (a 5). In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, and (3) present the identification card to the dispensing pharmacist.

The Department may adopt rules specifying participation requirements for the pharmaceutical assistance program, including copayment amounts, identification card fees, expenditure limits, and the benefit threshold after which a 20% charge is imposed on the cost of each prescription, to be in effect on and after July 1, 2004. Notwithstanding any other provision of this paragraph, however, the Department may not increase the identification card fee above the amount in effect on May 1, 2003 without the express consent of the General Assembly. To the extent practicable, those requirements shall be commensurate with the requirements provided in rules adopted by the Department of Healthcare and Family Services to implement the pharmacy assistance program under Section 5-5.12a of the Illinois Public Aid Code.

Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the reasonable costs of the generic equivalent, less the co pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co pay.

Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal to \$5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and \$25 per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card.

The provisions of this subsection (f), other than this paragraph, are inoperative after December 31, 2005. Beneficiaries who received benefits under the program established by this subsection (f) are not entitled, at the termination of the program, to any refund of the identification card fee paid under this subsection.

(g) Effective January 1, 2006, there is hereby established a program of pharmaceutical assistance to the aged and disabled, entitled the Illinois Seniors and Disabled Drug Coverage Program, which shall be administered by the Department of Healthcare and Family Services and the Department on Aging in accordance with this subsection, to consist of coverage of specified prescription drugs on behalf of beneficiaries of the program as set forth in this subsection. The program under this subsection replaces and supersedes the program established under subsection (f), which shall end at midnight on December 31, 2005.

To become a beneficiary under the program established under this subsection, a person must:

- (1) be (i) 65 years of age or older or (ii) disabled; and
- (2) be domiciled in this State; and
- (3) enroll with a qualified Medicare Part D Prescription Drug Plan if eligible and apply for all available subsidies under Medicare Part D; and

(4) for the 2006 and 2007 claim years, have a maximum household income of (i) less than \$21,218 for a household containing

one person, (ii) less than \$28,480 for a household containing 2 persons, or (iii) less than \$35,740 for a household containing 3 or more persons; and ~~If any income eligibility limit set forth in items (i) through~~

~~(iii) is less than 200% of the Federal Poverty Level for any year, the income eligibility limit for that year for households of that size shall be income equal to or less than 200% of the Federal Poverty Level.~~

(5) for the 2008 claim year, have a maximum household income of (i) less than \$22,218 for a household containing one person, (ii) \$29,480 for a household containing 2 persons, or (iii) \$36,740 for a household containing 3 or more persons; and

(6) for 2009 claim year applications submitted during calendar year 2010, have annual household income of less than (i) \$27,610 for a household containing one person; (ii) less than \$36,635 for a household containing 2 persons; or (iii) less than \$45,657 for a household containing 3 or more persons.

On January 1, 2011, and thereafter, the foregoing household income eligibility limits shall be changed to reflect the annual cost of living adjustment in Social Security and Supplemental Security Income benefits that is applicable to the year for which those benefits are being reported as income on an application.

All individuals enrolled as of December 31, 2005, in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section and all individuals enrolled as of December 31, 2005, in the SeniorCare Medicaid waiver program operated pursuant to Section 5-5.12a of the Illinois Public Aid Code shall be automatically enrolled in the program established by this subsection for the first year of operation without the need for further application, except that they must apply for Medicare Part D and the Low Income Subsidy under Medicare Part D. A person enrolled in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section as of December 31, 2005, shall not lose eligibility in future years due only to the fact that they have not reached the age of 65.

To the extent permitted by federal law, the Department may act as an authorized representative of a beneficiary in order to enroll the beneficiary in a Medicare Part D Prescription Drug Plan if the beneficiary has failed to choose a plan and, where possible, to enroll beneficiaries in the low-income subsidy program under Medicare Part D or assist them in enrolling in that program.

Beneficiaries under the program established under this subsection shall be divided into the following 5 eligibility groups:

(A) Eligibility Group 1 shall consist of beneficiaries who are not eligible for Medicare Part D coverage and who are:

- (i) disabled and under age 65; or
- (ii) age 65 or older, with incomes over 200% of the Federal Poverty Level; or
- (iii) age 65 or older, with incomes at or below 200% of the Federal Poverty Level and not eligible for federally funded means-tested benefits due to immigration status.

(B) Eligibility Group 2 shall consist of beneficiaries ~~otherwise described in Eligibility Group 1~~ but who are eligible for Medicare Part D coverage.

(C) Eligibility Group 3 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means-tested benefits due to immigration status and are not eligible for Medicare Part D coverage.

~~(D) Eligibility Group 4 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means tested benefits due to immigration status and are not eligible for Medicare Part D coverage.~~

If the State applies and receives federal approval for a waiver under Title XIX of the Social Security Act, persons in Eligibility Group 3 ~~4~~ shall continue to receive benefits through the approved waiver, and Eligibility Group 3 ~~4~~ may be expanded to include disabled persons under age 65 with incomes under 200% of the Federal Poverty Level who are not eligible for Medicare and who are not barred from receiving federally funded means-tested benefits due to immigration status.

~~(D) (E) On and after January 1, 2007, Eligibility Group 4 ~~5~~ shall consist of beneficiaries who are otherwise described in~~

~~Eligibility Group 2 Groups ~~2 and 3~~ who have a diagnosis of HIV or AIDS.~~

The program established under this subsection shall cover the cost of covered prescription drugs in excess of the beneficiary cost-sharing amounts set forth in this paragraph that are not covered by Medicare. In 2006, beneficiaries shall pay a co-payment of \$2 for each prescription of a generic drug and \$5 for each prescription of a brand-name drug. In future years, beneficiaries shall pay co-payments equal to the co-payments required under Medicare Part D for "other low-income subsidy eligible individuals" pursuant to 42 CFR 423.782(b). For individuals in Eligibility Groups 1, 2, and 3, ~~and 4~~, once the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph. For individuals in Eligibility Group 4 ~~5~~, once the program

established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph unless the drug is included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health and covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled. If the drug is included in the formulary of the Illinois AIDS Drug Assistance Program and covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled, individuals in Eligibility Group 4 ~~5~~ shall continue to pay the co-payments set forth in this paragraph after the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs.

For beneficiaries eligible for Medicare Part D coverage, the program established under this subsection shall pay 100% of the premiums charged by a qualified Medicare Part D Prescription Drug Plan for Medicare Part D basic prescription drug coverage, not including any late enrollment penalties. Qualified Medicare Part D Prescription Drug Plans may be limited by the Department of Healthcare and Family Services to those plans that sign a coordination agreement with the Department.

Notwithstanding Section 3.15, for purposes of the program established under this subsection, the term "covered prescription drug" has the following meanings:

For Eligibility Group 1, "covered prescription drug" means: (1) any cardiovascular agent or drug; (2) any insulin or other prescription drug used in the treatment of diabetes, including syringe and needles used to administer the insulin; (3) any prescription drug used in the treatment of arthritis; (4) any prescription drug used in the treatment of cancer; (5) any prescription drug used in the treatment of Alzheimer's disease; (6) any prescription drug used in the treatment of Parkinson's disease; (7) any prescription drug used in the treatment of glaucoma; (8) any prescription drug used in the treatment of lung disease and smoking-related illnesses; (9) any prescription drug used in the treatment of osteoporosis; and (10) any prescription drug used in the treatment of multiple sclerosis. The Department may add additional therapeutic classes by rule. The Department may adopt a preferred drug list within any of the classes of drugs described in items (1) through (10) of this paragraph. The specific drugs or therapeutic classes of covered prescription drugs shall be indicated by rule.

For Eligibility Group 2, "covered prescription drug" means those drugs ~~covered for Eligibility Group 1 that are also~~ covered by the

Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

~~For Eligibility Group 3, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.~~

For Eligibility Group ~~3~~ 4, "covered prescription drug" means those drugs covered by the Medical Assistance Program under Article V of the Illinois Public Aid Code.

For Eligibility Group ~~4~~ 5, ~~for individuals otherwise described in Eligibility Group 2, "covered prescription drug" means: (1) those drugs covered for Eligibility Group 2 that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled; and (2) those drugs included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.~~ For Eligibility Group 5, for individuals otherwise described in Eligibility Group 3, "covered prescription drug" means those drugs covered by the

Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

An individual in Eligibility Group 1, 2, 3, or 4 ~~or 5~~ may opt to receive a \$25 monthly payment in lieu of the direct coverage described in this subsection.

Any person otherwise eligible for pharmaceutical assistance under this subsection whose covered drugs are covered by any public program is ineligible for assistance under this subsection to the extent that the cost of those drugs is covered by the other program.

The Department of Healthcare and Family Services shall establish by rule the methods by which it will provide for the coverage called for in this subsection. Those methods may include direct reimbursement to pharmacies or the payment of a capitated amount to Medicare Part D Prescription Drug Plans.

For a pharmacy to be reimbursed under the program established under this subsection, it must comply with rules adopted by the Department of Healthcare and Family Services regarding coordination of benefits with Medicare Part D Prescription Drug Plans. A pharmacy may not charge a Medicare-enrolled beneficiary of the program established under this subsection more for a covered prescription drug than the appropriate Medicare cost-sharing less any payment from or on behalf of the Department of Healthcare and Family Services.

The Department of Healthcare and Family Services or the Department on Aging, as appropriate, may adopt rules regarding applications, counting of income, proof of Medicare status, mandatory generic policies, and pharmacy reimbursement rates and any other rules necessary for the cost-efficient operation of the program established under this subsection.

(h) A qualified individual is not entitled to duplicate benefits in a coverage period as a result of the changes made by this amendatory Act of the 96th General Assembly.

(a) The Department on Aging shall establish the content, required eligibility and identification information, use of social security numbers, and manner of applying for benefits in a simplified format under this Act, including claims filed for new or renewed prescription drug benefits.

(b) An application may be filed on paper or over the Internet to enable persons to apply separately or for both a property tax relief grant and pharmaceutical assistance on the same application. An application may also enable persons to apply for other State or federal programs that provide medical or pharmaceutical assistance or other benefits, as determined by the Department on Aging in conjunction with the Department of Healthcare and Family Services.

(c) Applications must be filed during the time period prescribed by the Department.

No claim may be filed more than one year after December 31 of the year for which the claim is filed ~~except that claims for 1976 may be filed until December 31, 1978.~~ The pharmaceutical assistance identification card provided for in subsection (f) of Section 4 shall be valid for a period determined by the Department of Healthcare and Family Services not to exceed one year. ~~On and after January 1, 2002, however, to enable the Department to convert coverage for a pharmaceutical assistance program participant to a State fiscal year basis, a card shall be valid for a longer or shorter period than 12 months, depending on the date a timely claim is filed and as determined by the Department. (b) Claim is Personal. The right to file a claim under this Act shall be personal to the claimant and shall not survive his death, but such right may be exercised on behalf of a claimant by his legal guardian or attorney-in-fact. If a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to his surviving spouse or, if no spouse survives, to his surviving dependent minor children in equal parts, provided the spouse or child, as the case may be, resided with the claimant at the time he filed his claim. If at the time of disbursement neither the claimant nor his spouse is surviving, and no dependent minor children of the claimant are surviving the amount of the claim shall escheat to the State.

(c) One claim per household. Only one member of a household may file a claim under this Act in any calendar year; where both members of a household are otherwise entitled to claim a grant under this Act, they must agree as to which of them will file a claim for that year.

~~(d) (Blank). Content of application form. The form prescribed by the Department for purposes of paragraph (a) shall include a table, appropriately keyed to the parts of the form on which the claimant is required to furnish information, which will enable the claimant to determine readily the approximate amount of grant to which he is entitled by relating levels of household income to property taxes accrued or rent constituting property taxes accrued.~~

~~(e) Pharmaceutical Assistance Procedures. The Department shall establish the form and manner for application, and establish by January 1, 1986 a procedure to enable persons to apply for the additional grant or for the pharmaceutical assistance identification card on the same application form. If a claim is denied, the Director shall cause written notice of that denial and the reasons for that denial to be sent to the claimant.

(b) Payment of claims one dollar and under. Where the amount of the grant computed under Section 4 is less than one dollar, the Department shall pay to the claimant one dollar.

(c) Right to appeal. Any person aggrieved by an action or determination of the Department on Aging arising under any of its powers or duties under this Act may request in writing that the Department on Aging reconsider its action or determination, setting out the facts upon which the request is based. The Department on Aging shall consider the request and either modify or affirm its prior action or determination. (320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

Sec. 4. Amount of Grant.

(a) In general. Any individual 65 years or older or any individual who will become 65 years old during the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any disabled person whose annual household income is less than the income eligibility limitation, as defined in subsection (a-5) and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her

claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(a-5) Income eligibility limitation. For purposes of this Section, "income eligibility limitation" means an amount for grant years 2008 and thereafter:

- ~~(i) for grant years before the 1998 grant year, less than \$14,000;~~
- ~~(ii) for the 1998 and 1999 grant year, less than \$16,000;~~
- ~~(iii) for grant years 2000 through 2007:~~
 - ~~(A) less than \$21,218 for a household containing one person;~~
 - ~~(B) less than \$28,480 for a household containing 2 persons; or~~
 - ~~(C) less than \$35,740 for a household containing 3 or more persons; or~~
- ~~(iv) for grant years 2008 and thereafter:~~
 - ~~(1) less than \$22,218 for a household containing one person;~~
 - ~~(2) less than \$29,480 for a household containing 2 persons; or~~
 - ~~(3) less than \$36,740 for a household containing 3 or more persons.~~

For 2009 claim year applications submitted during calendar year 2010, a household must have annual household income of less than \$27,610 for a household containing one person; less than \$36,635 for a household containing 2 persons; or less than \$45,657 for a household containing 3 or more persons.

The Department on Aging may adopt rules such that on January 1, 2011, and thereafter, the foregoing household income eligibility limits may be changed to reflect the annual cost of living adjustment in Social Security and Supplemental Security Income benefits that is applicable to the year for which those benefits are being reported as income on an application.

If a person files as a surviving spouse, then only his or her income shall be counted in determining his or her household income.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) \$700 less 4.5% of household income for that year for those with a household income of \$14,000 or less or (ii) \$70 if household income for that year is more than \$14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of \$55 per month from the Department of Healthcare and Family Services or the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section and (2) the ratio of the number of months in which household income did not include such cash assistance over \$55 to the number twelve. If household income did not include such cash assistance over \$55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

~~(f) (Blank). There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to~~

authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription drugs. Each beneficiary who pays \$5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays \$25 for an identification card shall pay \$3 per prescription. In addition, after a beneficiary receives \$2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must: (1) be (i) 65 years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) be domiciled in this State at the time he or she files his or her claim, and (3) have a maximum household income of less than the income eligibility limitation, as defined in subsection (a-5). In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, and (3) present the identification card to the dispensing pharmacist.

The Department may adopt rules specifying participation requirements for the pharmaceutical assistance program, including copayment amounts, identification card fees, expenditure limits, and the benefit threshold after which a 20% charge is imposed on the cost of each prescription, to be in effect on and after July 1, 2004. Notwithstanding any other provision of this paragraph, however, the Department may not increase the identification card fee above the amount in effect on May 1, 2003 without the express consent of the General Assembly. To the extent practicable, those requirements shall be commensurate with the requirements provided in rules adopted by the Department of Healthcare and Family Services to implement the pharmacy assistance program under Section 5-5.12a of the Illinois Public Aid Code.

~~Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the reasonable costs of the generic equivalent, less the co pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co-pay.~~

~~Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.~~

The fee to be charged by the Department for the identification card shall be equal to \$5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and \$25 per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card.

~~The provisions of this subsection (f), other than this paragraph, are inoperative after December 31, 2005. Beneficiaries who received benefits under the program established by this subsection (f) are not entitled, at the termination of the program, to any refund of the identification card fee paid under this subsection.~~

(g) Effective January 1, 2006, there is hereby established a program of pharmaceutical assistance to the aged and disabled, entitled the Illinois Seniors and Disabled Drug Coverage Program, which shall be administered by the Department of Healthcare and Family Services and the Department on Aging in accordance with this subsection, to consist of coverage of specified prescription drugs on behalf of beneficiaries of the program as set forth in this subsection. ~~The program under this subsection replaces and supersedes the program established under subsection (f), which shall end at midnight on December 31, 2005.~~

To become a beneficiary under the program established under this subsection, a person must:

- (1) be (i) 65 years of age or older or (ii) disabled; and
- (2) be domiciled in this State; and

(3) enroll with a qualified Medicare Part D Prescription Drug Plan if eligible and apply for all available subsidies under Medicare Part D; and

(4) for the 2006 and 2007 claim years, have a maximum household income of (i) less than \$21,218 for a household containing

one person, (ii) less than \$28,480 for a household containing 2 persons, or (iii) less than \$35,740 for a household containing 3 or more persons; ~~and -If any income eligibility limit set forth in items (i) through (iii) is less than 200% of the Federal Poverty Level for any year, the income eligibility limit for that year for households of that size shall be income equal to or less than 200% of the Federal Poverty Level.~~

(5) for the 2008 claim year, have a maximum household income of (i) less than \$22,218 for a household containing one person, (ii) \$29,480 for a household containing 2 persons, or (iii) \$36,740 for a household containing 3 or more persons; and

(6) for 2009 claim year applications submitted during calendar year 2010, have annual household income of less than (i) \$27,610 for a household containing one person; (ii) less than \$36,635 for a household containing 2 persons; or (iii) less than \$45,657 for a household containing 3 or more persons.

The Department of Healthcare and Family Services may adopt rules such that on January 1, 2011, and thereafter, the foregoing household income eligibility limits may be changed to reflect the annual cost of living adjustment in Social Security and Supplemental Security Income benefits that is applicable to the year for which those benefits are being reported as income on an application.

All individuals enrolled as of December 31, 2005, in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section and all individuals enrolled as of December 31, 2005, in the SeniorCare Medicaid waiver program operated pursuant to Section 5-5.12a of the Illinois Public Aid Code shall be automatically enrolled in the program established by this subsection for the first year of operation without the need for further application, except that they must apply for Medicare Part D and the Low Income Subsidy under Medicare Part D. A person enrolled in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section as of December 31, 2005, shall not lose eligibility in future years due only to the fact that they have not reached the age of 65.

To the extent permitted by federal law, the Department may act as an authorized representative of a beneficiary in order to enroll the beneficiary in a Medicare Part D Prescription Drug Plan if the beneficiary has failed to choose a plan and, where possible, to enroll beneficiaries in the low-income subsidy program under Medicare Part D or assist them in enrolling in that program.

Beneficiaries under the program established under this subsection shall be divided into the

following 4 ~~5~~ eligibility groups:

(A) Eligibility Group 1 shall consist of beneficiaries who are not eligible for Medicare Part D coverage and who are:

(i) disabled and under age 65; or

(ii) age 65 or older, with incomes over 200% of the Federal Poverty Level; or

(iii) age 65 or older, with incomes at or below 200% of the Federal Poverty Level and not eligible for federally funded means-tested benefits due to immigration status.

(B) Eligibility Group 2 shall consist of beneficiaries ~~otherwise described in Eligibility Group 1 but~~ who are eligible for Medicare

Part D coverage.

(C) Eligibility Group 3 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means-tested benefits due to immigration status and are not eligible for Medicare Part D coverage.

~~(D) Eligibility Group 4 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means tested benefits due to immigration status and are not eligible for Medicare Part D coverage.~~

If the State applies and receives federal approval for a waiver under Title XIX of the Social Security Act, persons in Eligibility Group ~~3~~ 4 shall continue to receive benefits through the approved waiver, and Eligibility Group ~~3~~ 4 may be expanded to include disabled persons under age 65 with incomes under 200% of the Federal Poverty Level who are not eligible for Medicare and who are not barred from receiving federally funded means-tested benefits due to immigration status.

~~(D) (E) On and after January 1, 2007, Eligibility Group 4 ~~5~~ shall consist of beneficiaries who are otherwise described in~~

Eligibility ~~Group 2~~ ~~Groups 2 and 3~~ who have a diagnosis of HIV or AIDS.

The program established under this subsection shall cover the cost of covered prescription drugs in excess of the beneficiary cost-sharing amounts set forth in this paragraph that are not covered by

Medicare. In 2006, beneficiaries shall pay a co-payment of \$2 for each prescription of a generic drug and \$5 for each prescription of a brand-name drug. In future years, beneficiaries shall pay co-payments equal to the co-payments required under Medicare Part D for "other low-income subsidy eligible individuals" pursuant to 42 CFR 423.782(b). For individuals in Eligibility Groups 1, 2, and 3, ~~and 4~~, once the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph. For individuals in Eligibility Group 4 ~~5~~, once the program established under this subsection and Medicare combined have paid \$1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph unless the drug is included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health and covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled. (215 ILCS 5/359a.1 new)

Sec. 359a.1. Standard small group applications. The Director shall develop, by rule, a standard application form for use by small employers applying for coverage under a health benefit plan offered by small employer carriers. Small employer carriers shall be required to use the standard application form not less than 6 months after the rules developing the form become effective. The Director shall revise the standard application form at least every 3 years. For purposes of this Section, "health benefit plan", "small employer", and "small employer carrier" shall have the meaning given those terms in the Small Employer Health Insurance Rating Act.

Nothing in this Section shall prevent a carrier from using health information after enrollment for the purpose of providing services or arranging for the provision of services under a health benefit plan. For purposes of this Section, "health benefit plan" shall have the meaning given the term in the Small Employer Health Insurance Rating Act and "individual market" shall have meaning given the term in the Illinois Health Insurance Portability and Accountability Act.

(215 ILCS 5/370c) (from Ch. 73, par. 982c)

Sec. 370c. Mental and emotional disorders.

(a) (1) On and after the effective date of this Section, every insurer which delivers, issues for delivery or renews or modifies group A&H policies providing coverage for hospital or medical treatment or services for illness on an expense-incurred basis shall offer to the applicant or group policyholder subject to the insurers standards of insurability, coverage for reasonable and necessary treatment and services for mental, emotional or nervous disorders or conditions, other than serious mental illnesses as defined in item (2) of

subsection (b), up to the limits provided in the policy for other disorders or conditions, except (i) the insured may be required to pay up to 50% of expenses incurred as a result of the treatment or services, and (ii) the annual benefit limit may be limited to the lesser of \$10,000 or 25% of the lifetime policy limit.

(2) Each insured that is covered for mental, emotional or nervous disorders or conditions shall be free to select the physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist of his choice to treat such disorders, and the insurer shall pay the covered charges of such physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist up to the limits of coverage, provided (i) the disorder or condition treated is covered by the policy, and (ii) the physician, licensed psychologist, licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist is authorized to provide said services under the statutes of this State and in accordance with accepted principles of his profession.

(3) Insofar as this Section applies solely to licensed clinical social workers, licensed clinical professional counselors, and licensed marriage and family therapists, those persons who may provide services to individuals shall do so after the licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist has informed the patient of the desirability of the patient conferring with the patient's primary care physician and the licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist has provided written notification to the patient's primary care physician, if any, that services are being provided to the patient. That notification may, however, be waived by the patient on a written form. Those forms shall be retained by the licensed clinical social worker, licensed clinical professional counselor, or licensed marriage and family therapist for a period of not less than 5 years.

(b) (1) An insurer that provides coverage for hospital or medical expenses under a group policy of accident and health insurance or health care plan amended, delivered, issued, or renewed after the effective date of this amendatory Act of the 92nd General Assembly shall provide coverage under the policy for treatment of serious mental illness under the same terms and conditions as coverage for hospital or medical expenses related to other illnesses and diseases. The coverage required under this Section must provide for same durational limits, amount limits, deductibles, and co-insurance requirements for serious mental illness as are provided for other illnesses and diseases. This subsection does not apply to coverage provided to employees by employers who have 50 or fewer employees.

(2) "Serious mental illness" means the following psychiatric illnesses as defined in the most current edition of the Diagnostic and Statistical Manual (DSM) published by the American Psychiatric Association:

- (J) post-traumatic stress disorders (acute, chronic, or with delayed onset); and
- (K) anorexia nervosa and bulimia nervosa.

(3) ~~(Blank). Upon request of the reimbursing insurer, a provider of treatment of serious mental illness shall furnish medical records or other necessary data that substantiate that initial or continued treatment is at all times medically necessary. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and the insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness, an insurer must make the determination in a manner that is consistent with the manner used to make that~~

~~determination with respect to other diseases or illnesses covered under the policy, including an appeals process.~~

(4) A group health benefit plan:

(A) shall provide coverage based upon medical necessity for the following treatment of mental illness in each calendar year:

(i) 45 days of inpatient treatment; and

(ii) beginning on June 26, 2006 (the effective date of Public Act 94-921), 60 visits for outpatient treatment including group and individual outpatient treatment; and

(iii) for plans or policies delivered, issued for delivery, renewed, or modified after January 1, 2007 (the effective date of Public Act 94-906), 20 additional outpatient visits for speech therapy for treatment of pervasive developmental disorders that will be in addition to speech therapy provided pursuant to item (ii) of this subparagraph (A);

(B) may not include a lifetime limit on the number of days of inpatient treatment or the number of outpatient visits covered under the plan; and

(C) shall include the same amount limits, deductibles, copayments, and coinsurance factors for serious mental illness as for physical illness.

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) This Section shall not be interpreted to require a group health benefit plan to provide coverage for treatment of:

(A) an addiction to a controlled substance or cannabis that is used in violation of law; or

(B) mental illness resulting from the use of a controlled substance or cannabis in violation of law.

(8) (Blank).

(9) On and after June 1, 2010, coverage for the treatment of mental and emotional disorders as provided by subsections (a) and (b) of this Section shall not be denied under the policy, provided that services are medically necessary as determined by the insured's treating physician. For purposes of this Section, "medically necessary" means health care services appropriate, in terms of type, frequency, level, setting, and duration, to the enrollee's diagnosis or condition, and diagnostic testing and preventive services. Medically necessary care must be consistent with generally accepted practice parameters as determined by health care providers in the same or similar general specialty as typically manages the condition, procedure, or treatment at issue and must be intended to either help restore or maintain the enrollee's health or prevent deterioration of the enrollee's condition. Upon request of the reimbursing insurer, a provider of treatment of serious mental illness shall furnish medical records or other necessary data that substantiate that initial or continued treatment is at all times medically necessary.

Representative Osterman offered the following amendment and moved its adoption:

AMENDMENT NO. 2. Amend House Bill 628, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Section 14-8.02 as follows:

(105 ILCS 5/14-8.02) (from Ch. 122, par. 14-8.02)

Sec. 14-8.02. Identification, Evaluation and Placement of Children.

(a) The State Board of Education shall make rules under which local school boards shall determine the eligibility of children to receive special education. Such rules shall ensure that a free appropriate public education be available to all children with disabilities as defined in Section 14-1.02. The State Board of Education shall require local school districts to administer non-discriminatory procedures or tests to limited English proficiency students coming from homes in which a language other than English is used to determine their eligibility to receive special education. The placement of low English proficiency students in special education programs and facilities shall be made in accordance with the test results reflecting the student's linguistic, cultural and special education needs. For purposes of determining the eligibility of children the State Board of Education shall include in the rules definitions of "case study", "staff conference", "individualized educational program", and "qualified specialist" appropriate to each category of children with disabilities as defined in this Article. For purposes of determining the eligibility of children from homes in which a language other than English is used, the State Board of Education shall include in the rules definitions for "qualified bilingual specialists" and "linguistically and culturally appropriate individualized educational programs". For purposes of this Section, as well as Sections 14-8.02a, 14-8.02b, and 14-8.02c of this Code, "parent" means a parent as defined in the federal Individuals with Disabilities Education Act (20 U.S.C. 1401(23)).

(b) No child shall be eligible for special education facilities except with a carefully completed case study fully reviewed by professional personnel in a multidisciplinary staff conference and only upon the recommendation of qualified specialists or a qualified bilingual specialist, if available. At the conclusion of the multidisciplinary staff conference, the parent of the child shall be given a copy of the multidisciplinary conference summary report and recommendations, which includes options considered, and be informed of their right to obtain an independent educational evaluation if they disagree with the evaluation findings conducted or obtained by the school district. If the school district's evaluation is shown to be inappropriate, the school district shall reimburse the parent for the cost of the independent evaluation. The State Board of Education shall, with advice from the State Advisory Council on Education of Children with Disabilities on the inclusion of specific independent educational evaluators, prepare a list of suggested independent educational evaluators. The State Board of Education shall include on the list clinical psychologists licensed pursuant to the Clinical Psychologist Licensing Act. Such psychologists shall not be paid fees in excess of the amount that would be received by a school psychologist for performing the same services. The State Board of Education shall supply school districts with such list and make the list available to parents at their request. School districts shall make the list available to parents at the time they are informed of their right to obtain an independent educational evaluation. However, the school district may initiate an impartial due process hearing under this Section within 5 days of any written parent request for an independent educational evaluation to show that its evaluation is appropriate. If the final decision is that the evaluation is appropriate, the parent still has a right to an independent educational evaluation, but not at public expense. An independent educational evaluation at public expense must be completed within 30 days of a parent written request unless the school district initiates an impartial due process hearing or the parent or school district offers reasonable grounds to show that such 30 day time period should be extended. If the due process hearing decision indicates that the parent is entitled to an independent educational evaluation, it must be completed within 30 days of the decision unless the parent or the school district offers reasonable grounds to show that such 30 day period should be extended. If a parent disagrees with the summary report or recommendations of the multidisciplinary conference or the findings of any educational evaluation which results therefrom, the school district shall not proceed with a placement based upon such evaluation and the child shall remain in his or her regular classroom setting. No child shall be eligible for admission to a special class for the educable mentally disabled or for the trainable mentally disabled except with a psychological evaluation and recommendation by a school psychologist. Consent shall be obtained from the parent of a child before any evaluation is conducted. If consent is not given by the parent or if the parent disagrees with the findings of the evaluation, then the school district may initiate an impartial due process hearing under this Section. The school district may evaluate the child if that is the decision resulting from the impartial due process hearing and the decision is not appealed or if the decision

is affirmed on appeal. The determination of eligibility shall be made and the IEP meeting shall be completed within 60 school days from the date of written parental consent. In those instances when written parental consent is obtained with fewer than 60 pupil attendance days left in the school year, the eligibility determination shall be made and the IEP meeting shall be completed prior to the first day of the following school year. After a child has been determined to be eligible for a special education class, such child must be placed in the appropriate program pursuant to the individualized educational program by or no later than the beginning of the next school semester. The appropriate program pursuant to the individualized educational program of students whose native tongue is a language other than English shall reflect the special education, cultural and linguistic needs. No later than September 1, 1993, the State Board of Education shall establish standards for the development, implementation and monitoring of appropriate bilingual special individualized educational programs. The State Board of Education shall further incorporate appropriate monitoring procedures to verify implementation of these standards. The district shall indicate to the parent and the State Board of Education the nature of the services the child will receive for the regular school term while waiting placement in the appropriate special education class.

If the child is deaf, hard of hearing, blind, or visually impaired and he or she might be eligible to receive services from the Illinois School for the Deaf or the Illinois School for the Visually Impaired, the school district shall notify the parents, in writing, of the existence of these schools and the services they provide and shall make a reasonable effort to inform the parents of the existence of other, local schools that provide similar services and the services that these other schools provide. This notification shall include without limitation information on school services, school admissions criteria, and school contact information.

In the development of the individualized education program for a student who has a disability on the autism spectrum (which includes autistic disorder, Asperger's disorder, pervasive developmental disorder not otherwise specified, childhood disintegrative disorder, and Rett Syndrome, as defined in the Diagnostic and Statistical Manual of Mental Disorders, fourth edition (DSM-IV, 2000)), the IEP team shall consider all of the following factors:

- (1) The verbal and nonverbal communication needs of the child.
- (2) The need to develop social interaction skills and proficiencies.
- (3) The needs resulting from the child's unusual responses to sensory experiences.
- (4) The needs resulting from resistance to environmental change or change in daily routines.
- (5) The needs resulting from engagement in repetitive activities and stereotyped movements.
- (6) The need for any positive behavioral interventions, strategies, and supports to address any behavioral difficulties resulting from autism spectrum disorder.
- (7) Other needs resulting from the child's disability that impact progress in the general curriculum, including social and emotional development.

Public Act 95-257 does not create any new entitlement to a service, program, or benefit, but must not affect any entitlement to a service, program, or benefit created by any other law.

If the student may be eligible to participate in the Home-Based Support Services Program for Mentally Disabled Adults authorized under the Developmental Disability and Mental Disability Services Act upon becoming an adult, the student's individualized education program shall include plans for (i) determining the student's eligibility for those home-based services, (ii) enrolling the student in the program of home-based services, and (iii) developing a plan for the student's most effective use of the home-based services after the student becomes an adult and no longer receives special educational services under this Article. The plans developed under this paragraph shall include specific actions to be taken by specified individuals, agencies, or officials.

(c) In the development of the individualized education program for a student who is functionally blind, it shall be presumed that proficiency in Braille reading and writing is essential for the student's satisfactory educational progress. For purposes of this subsection, the State Board of Education shall determine the criteria for a student to be classified as functionally blind. Students who are not currently identified as functionally blind who are also entitled to Braille instruction include: (i) those whose vision loss is so severe that they are unable to read and write at a level comparable to their peers solely through the use of vision, and (ii) those who show evidence of progressive vision loss that may result in functional blindness. Each student who is functionally blind shall be entitled to Braille reading and writing instruction that is sufficient to enable the student to communicate with the same level of proficiency as other students of comparable ability. Instruction should be provided to the extent that the student is physically and cognitively able to use Braille. Braille instruction may be used in combination with other special education

services appropriate to the student's educational needs. The assessment of each student who is functionally blind for the purpose of developing the student's individualized education program shall include documentation of the student's strengths and weaknesses in Braille skills. Each person assisting in the development of the individualized education program for a student who is functionally blind shall receive information describing the benefits of Braille instruction. The individualized education program for each student who is functionally blind shall specify the appropriate learning medium or media based on the assessment report.

(d) To the maximum extent appropriate, the placement shall provide the child with the opportunity to be educated with children who are not disabled; provided that children with disabilities who are recommended to be placed into regular education classrooms are provided with supplementary services to assist the children with disabilities to benefit from the regular classroom instruction and are included on the teacher's regular education class register. Subject to the limitation of the preceding sentence, placement in special classes, separate schools or other removal of the disabled child from the regular educational environment shall occur only when the nature of the severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. The placement of limited English proficiency students with disabilities shall be in non-restrictive environments which provide for integration with non-disabled peers in bilingual classrooms. Annually, each January, school districts shall report data on students from non-English speaking backgrounds receiving special education and related services in public and private facilities as prescribed in Section 2-3.30. If there is a disagreement between parties involved regarding the special education placement of any child, either in-state or out-of-state, the placement is subject to impartial due process procedures described in Article 10 of the Rules and Regulations to Govern the Administration and Operation of Special Education.

(e) No child who comes from a home in which a language other than English is the principal language used may be assigned to any class or program under this Article until he has been given, in the principal language used by the child and used in his home, tests reasonably related to his cultural environment. All testing and evaluation materials and procedures utilized for evaluation and placement shall not be linguistically, racially or culturally discriminatory.

(f) Nothing in this Article shall be construed to require any child to undergo any physical examination or medical treatment whose parents object thereto on the grounds that such examination or treatment conflicts with his religious beliefs.

(g) School boards or their designee shall provide to the parents of a child prior written notice of any decision (a) proposing to initiate or change, or (b) refusing to initiate or change, the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to their child, and the reasons therefor. Such written notification shall also inform the parent of the opportunity to present complaints with respect to any matter relating to the educational placement of the student, or the provision of a free appropriate public education and to have an impartial due process hearing on the complaint. The notice shall inform the parents in the parents' native language, unless it is clearly not feasible to do so, of their rights and all procedures available pursuant to this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446); it shall be the responsibility of the State Superintendent to develop uniform notices setting forth the procedures available under this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446) to be used by all school boards. The notice shall also inform the parents of the availability upon request of a list of free or low-cost legal and other relevant services available locally to assist parents in initiating an impartial due process hearing. Any parent who is deaf, or does not normally communicate using spoken English, who participates in a meeting with a representative of a local educational agency for the purposes of developing an individualized educational program shall be entitled to the services of an interpreter.

(g-5) To ensure that a parent can participate fully and effectively with school personnel in the development of appropriate educational and related services for his or her child, the parent, an independent educational evaluator, or an expert retained by or on behalf of a parent or child must be afforded access of sufficient duration and extent to educational personnel, facilities, classrooms, and buildings and to the child in order to conduct an evaluation of the child, the child's performance, the child's current educational program, placement, or environment, or any proposed educational program, placement, or environment, including interviews, observations, assessments, tests, or assessments of the child's educational program or placement or any proposed educational program or placement. Interviews of educational personnel may be limited to personnel having information relevant to the child's current educational services, program, or placement or to a proposed educational service, program, or placement. For purposes of this subsection (g-5), "expert" includes a therapist, doctorate level educator or specialist, academician, physician,

diagnostician, educational consultant, certified, licensed, or otherwise credentialed professional, or student or intern in an accredited program working under the direct supervision of a therapist, doctorate level educator or specialist, academician, physician, diagnostician, educational consultant, or certified, licensed, or otherwise credentialed professional. Prior to visiting a school, a school building, or a school facility, the parent, independent educational evaluator, or expert may be required to inform the building principal or supervisor in writing of the proposed visit, the purposes of the visit, and the approximate duration of the visit and arrange a visit at a mutually agreeable time. Visitors shall comply with school safety and security policies and protect students' right of privacy and may not disrupt the educational process.

38TH LEGISLATIVE DAY

Perfunctory Session

THURSDAY, APRIL 2, 2009

At the hour of 10:41 o'clock p.m., the House convened perfunctory session.

HOUSE RESOLUTION

The following resolution was offered and placed in the Committee on Rules.

HOUSE RESOLUTION 262

Offered by Representative Flowers:

WHEREAS, According to statistics from the Center for Disease Control and Prevention, two-thirds of American adults are overweight or obese; the rates of obesity have doubled in children and tripled in teens since 1980 and 24.9% of Illinoisans are considered obese; and

WHEREAS, Obesity increases the risk of diabetes, heart disease, stroke, and other health problems; and

WHEREAS, Over the past two decades, there has been a significant increase in the number of meals prepared and eaten outside the home and eaten at restaurants and other food-service establishments; and

WHEREAS, The Nutrition Labeling and Education Act (NLEA) was established in 1990; NLEA set a national standard for nutrition labeling in packaged foods and beverages and has been credited with helping consumers make healthier food choices when shopping for food or eating at home; and

WHEREAS, The LEAN Act is molded after the NLEA; the act requires restaurants and other food service establishments that serve prepared foods and have 20 or more locations to disclose in writing the calories contained in each menu item directly on the menu, menu board, or in designated alternative ways, such as a menu insert or a sign directly next to the menu board; and

WHEREAS, The LEAN Act would require information regarding calories, total fat, cholesterol, total carbohydrates, dietary fiber, calories from fat, saturated fat, sodium, sugars, and protein to be disclosed in all chain restaurants with more than 20 locations; and

WHEREAS, The LEAN Act would provide for uniform nutritional disclosure practices for affected establishments and resolves problems emerging from a complex patchwork or inconsistent State and local regulations; and

WHEREAS, The LEAN Act would require the presentation of the calories and the nutritional information through a range of options; calorie disclosure will be required on menu boards, wall signs, or queue signs for quick serve establishments and/or menu placement, menu inserts, or menu appendix for seated establishments; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Congress to pass a national standard for nutritional menu labeling in chain restaurants; and be it further

RESOLVED, That suitable copies of this resolution be presented to the members of the Illinois congressional delegation.
